- **Evaluation procedure:**
 - The evaluation criteria (including weights and thresholds) and sub-criteria together with the eligibility, selection and award criteria, for the different funding actions are set out in Annex 2 of this work programme.
 - Proposal page limits: Applicants must ensure that proposals conform to the page limits and layout given in the Guide for Applicants, and in the proposal part B template available through the EPSS. The experts will be instructed to disregard any pages exceeding these limits.
 - The minimum font size allowed is 11 points. The page size is A4, and all margins (top, bottom, left and right) should be at least 15 mm (not including any footers or headers).
 - A single-stage submission and evaluation procedure will be used.
 - Proposals will not be evaluated anonymously.
 - Proposals may be evaluated remotely.
 - The procedure for prioritising proposals with equal scores is described in Annex 2 of this work programme.
 - Proposals are allocated to one of 2 panels: (A) 'Existing trans-national fellowship programmes' and (B) 'New fellowship programmes with trans-national mobility'. The distribution of the indicative budget of the call between the 2 panels will be proportional to the requested European Union contribution of the proposals positively evaluated. For each panel a ranked list is established. If the budget allocated to one of the panels exceeds the requirements of all proposals positively evaluated³ in that panel, the excess budget will be transferred to the other panel. Equally, if the allocated funding to one panel is insufficient to fund the highest ranked proposal in that panel, the necessary budget will be transferred from the other panel in order to ensure that the highest ranked proposal can be funded.
 - **Indicative evaluation and contractual timetable:**
 - Evaluation results are estimated to be available within 4 months following the relevant deadline for submission.
 - Grant agreement signature: expected from within 9 months after the relevant deadline for submission.
-

³ Measured as proposals having passed all relevant evaluation thresholds.
