

# 2009 FERRAN SUNYER I BALAGUER

## INTERNATIONAL MATHEMATICAL RESEARCH PRIZE

Ferran Sunyer i Balaguer (1912-1967) was a self-taught Catalan mathematician who, in spite of a serious physical disability, was very active in research in classical Mathematical Analysis, an area in which he acquired international recognition. Each year in his honour the Ferran Sunyer i Balaguer Foundation awards an international mathematical research prize bearing his name, open to all mathematicians. This prize was awarded for the first time in April 1993.

### CONDITIONS

- **The prize** will be awarded for a mathematical monograph of an expository nature presenting the latest developments in an active area of research in Mathematics, in which the applicant has made important contributions.
- **The monograph** must be original, written in English, and of at least 150 pages. The monograph must not be subject to any previous copyright agreement. In exceptional cases, manuscripts in other languages may be considered.
- **The prize**, amounting to 12.000 euros, is provided by the Ferran Sunyer i Balaguer Foundation. The winning monograph will be published in Birkhäuser Verlag's series "Progress in Mathematics", subject to the usual regulations concerning copyright and author's rights.
- **The submission** of a monograph implies the acceptance of all of the above conditions.
- **The name of the prize-winner** will be announced in Barcelona in April, 2009.

#### Submission of monographs and information
